

OFFRIR LE BIEN-ÊTRE
C'EST PLUS QU'UN MÉTIER

WORK IN A NATURAL ENVIRONMENT THAT PROMOTES

WELL-BEING AND RELAXATION!

Title: Exterior maintenance worker

ROLE: The exterior maintenance worker must ensure the opening and/or closing of the Spa. During opening hours, it must offer a constant presence on the site in order to meet the needs of the clientele, while maintaining the atmosphere. Outside of opening hours, it is called upon to perform various maintenance tasks, depending on the needs and seasons.

Main tasks:

- To light and maintain the fires
- Pile wood.
- Water quality of the basins (tests, product injections, cleaning, draining, filling, etc.)
- Outdoor maintenance (horticulture, slab cleaning, leaf collection, etc.)
- Minor repairs/maintenance projects
- Customer management and noise (speak too loudly)
- Cleanliness of the site

Required profile:

- Autonomy
- Healthy stress management
- Good time management and priorities
- Good physical ability
- Attention to detail
- Concern for customer satisfaction;

BENEFITS SPA BOLTON:

- Permanent employees can benefit from free access to the baths outside their working hours.
- Permanent employees may offer free access to the baths to their parents, sisters and brothers and spouse.
- Permanent employees may benefit from massage and/or aesthetic care according to the current price chart.
- All employees can benefit from a discount on all products.
- Permanent employees receive a free treatment for their birthday.
