To our customers, supporters, and friends,

With labour shortages being a universal problem, we, at Restaurant Le Relais, have not been exempt from this situation.

Due to limited staff, our menu has been slightly reduced in efforts to support, assist and respect our existing employees.

These measures have been put into place to allow us to remain open with revised hours.

We appreciate your patience, kindness and understanding during these trying times.

Always a pleasure to serve you!

Restaurant Le Relais
